Celebrating 65 years of Parisian Glamour and inspired by the endless theme of femininity and sophistication, Australian audiences will experience the tantalizing Parisian cultural phenomenon of **Crazy Horse Paris** for the first time ever when **Forever Crazy** high kicks through Melbourne, Perth, Sydney and Canberra from 8 August.

Featuring the best of acts from the legendary Cabaret, **Forever Crazy** consists of a series of highly aesthetic and visual tableaux presented by a multicultural cast of ten stunningly beautiful and classically trained dancers clad only in textured lighting and projection. The effect is so stunning that it is hard to determine where skin ends and the reflections begin. The result is a unique show that engages the mind as much as the eye!

A truly tantalizingly Parisian cultural phenomenon not to be missed!

**Forever Crazy** was conceived in 1951 tribute to Alain Bernardin, the founder of Crazy Horse Paris. It fully preserves the cabaret's artistic heritage while adding a touch of modernity, humour and sophistication.

**Forever Crazy** consists of distinct choreographed acts, among them legendary Crazy Horse "classics".

**Forever Crazy** is on the cutting edge of art and entertainment and presents itself as a unique kaleidoscope of beauty, grace, passion and precision.

Performances are accentuated by original music and stylish costumes created by world-renowned French fashion designers including Paco Rabanne, Loris Azzaro, Karl Lagerfeld, Emmanuel Ungaro, and Azzedine Alaia.

Celebrity shoe creator Christian Louboutin has personally designed the dancer's iconic red-soled shoes, making **Forever Crazy** a night of world-class opulence.

The French press hails **Forever Crazy** as "... **spectacular!**" (20 Minutes), while it qualifies it as a "**feast for the senses**" (Paris Match), and "**the most beautiful show Paris currently has to offer**" (Le Parisien).
