Crystal

## How to make the most of your martinis (Or your brandy-and-dry, Scotch-on-the-rocks, beer, wine, bitter lemon or whatever.)

If you've never sipped your favourite drink from Orrefors crystal you don't really know its true delight. There's a new pleasure in store for you *and* your guests. Orrefors of Sweden make crystal for people who appreciate good things. Drinking glasses, carafes and jugs designed by artists. Hand-blown by craftsmen. Every piece an original. Just one small word of warning. When you serve drinks in Orrefors crystal, you'll find your guests will linger longer. Of course, there are times when this could suit you.
