GIN BASED MARTINIS

All martinis are served in a chilled 5 oz. champagne glass. When they are required "on the rocks" they are served in a 6 oz. old fashioned glass filled with cracked ice.

A Gibson is made in exactly the same way as a popular dry martini except that a white pickled pearl onion is substituted for the usual green olive or lemon twist.

AMERICAN DRY MARTINI

Half fill mixing glass with cracked ice
4 oz. Dry Gin

Dash of Martini & Rossi Dry Vermouth
Stir gently and strain into 5 oz. champagne glass. Garnish with a twist of lemon rind or green olive.
